The concept and practice of “People of Peace” is good for evangelism, discipleship, encouragement, and hearing the voice of God.

God arranges “Divine Appointments” with “People of Peace.”

A person of peace is a man or woman whom God has prepared their heart to be open to the Good News of Jesus Christ in word and deed.

A person of peace:    Likes you,  
                                 Welcomes you  
                                 Serves you  
                                 Listens to you

To do effective evangelism, we need to do it as a team sport inviting people into an extended family of faith.

We need to be intentional, open to those whom God puts into our lives, pray, and act. Ephesians 2:10 says, “For we are God’s handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do.”
