ONE VOICE

African Children's Choir is a voice for the millions of suffering children who cannot speak for themselves.

AFRICAN CHILDREN'S CHOIR

More Than Music

Our Mission

Our mission is to help Africa's most vulnerable children today, so they can help Africa tomorrow. The children in the Choir represent the potential of the thousands of children in Africa who are trapped in the cycle of poverty.

The program provides for the children's well-being and quality education, utilizing the transformative power of music. We instill Christian principles through teaching and leading by example and bring relief and development to African nations in crisis.

The African Children's Choir is composed of African children, aged 8 to 11 years old. The Choir is a program of a larger international organization called Music for Life, which provides thousands of impoverished children throughout Africa with the education, discipleship and leadership skills needed to rise above their conditions so they can bring positive, lasting change to their families..
